Independent Auditors' Report

Board of Directors Women's Economic Self-Sufficiency Team, Corp and Controlled Affiliate

Report on the Financial Statements

We have audited the accompanying consolidated financial statements of Women's Economic Self-Sufficiency Team, Corp and its controlled affiliate, WESST Real Estate Holdings, LLC (collectively referred to as "WESST") (a nonprofit organization), which comprise the consolidated statements of financial position as of December 31, 2015 and 2014, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to WESST's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of WESST's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of WESST as of December 31, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated April 20, 2016, on our consideration of WESST's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering WESST's internal control over financial reporting and compliance.

1) The Organization

The Women's Economic Self-Sufficiency Team, Corp and Controlled Affiliate (WESST), is a nonprofit corporation organized to assist individuals to start and grow businesses in New Mexico.

WESST Real Estate Holdings, LLC (the "Affiliate") was formed in 2009 under the New Mexico Limited Liability Company Act to engage in real estate investment and management activities. The Affiliate is intended to be a disregarded entity for federal income tax purposes. The composition of the Board of Directors for each entity is identical, and WESST is the sole member of the Affiliate. The Affiliate may not engage in any activity that would adversely affect WESST's status as a tax-exempt organization under Section 501(c) of the Internal Revenue Code.

WESST's accomplishes its mission through the following programs:

Business Consulting and Training – Through individual and small group consultations, clients are coached in areas such as sales and marketing, production, management and finance. Group workshops are also presented on basic business topics.

Financial Assistance – A revolving loan fund for small businesses which are unable to obtain financing from banks or other traditional sources, and assistance in accessing other financial resources is available.

To accomplish the program services, WESST uses the WESST Enterprise Center (WEC) which is a 37,000 square-foot mixed-use business incubation facility accommodating up to twenty light manufacturing, service, professional and technology businesses.

WESST's major sources of revenue are federal grants, contributions and membership services.

2) Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of WESST have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables and liabilities.

Basis of Presentation

The accompanying consolidated financial statements referred to as "WESST" present the consolidated financial position, changes in net assets, cash flows and functional expenses of WESST and its Affiliate. All significant intercompany accounts and transactions have been eliminated. WESST has board control and an economic interest in the Affiliate. Accordingly, the Affiliate's financial statements have been consolidated with WESST's financial statements.

WESST is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted and permanently restricted net assets.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates. The allowance for loan losses is a significant estimate in these financial statements. It is reasonably possible that actual loan losses could differ from management's estimates of loan losses.

Financial Instruments

WESST's financial instruments include cash and cash equivalents, restricted cash, receivables, accounts payable, accrued liabilities, secured debt and notes payable. WESST estimates that the fair value of all financial instruments at December 31, 2015 and 2014 does not differ materially from the aggregate carrying values of its financial instruments recorded in the accompanying financial statements.

Notes to Consolidated Financial Statements

2) Summary of Significant Accounting Policies — continued

Donated Services and Materials

In accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958-10-20, WESST recognizes contributed services if the services create or enhance non-financial assets or require specialized skills, are provided by individuals possessing those skills, and would need to be purchased if not provided by donation. Recognized contributed services are recorded at the fair value of the services on the date of donation. Donated materials are recorded at estimated fair value on the date of donation.

<u>Support</u>

WESST reports contributions of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets or specify the time period for which the assets may be expended. When a donor restriction expires, restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restriction. Donor restricted contributions whose restrictions are met in the same reporting period are reported as unrestricted support.

Cash and Cash Equivalents

Cash and cash equivalents include demand deposits at banks, money market funds and savings accounts at financial institutions. For purposes of the statement of cash flows, WESST considers all unrestricted highly liquid investments to be cash equivalents and excludes restricted cash.

In accordance with certain agreements, WESST maintains separate cash and cash equivalent accounts for Individual Development Account (IDA) custodial accounts and the fiscal agent relationship and various loan loss reserve accounts related to the loan program.

Restricted Cash and Cash Held For Others

Restricted cash is cash that WESST has received from the Small Business Investment Corporation (SBIC) and various federal agencies which require the cash to be held for the loan program and related loan loss reserve accounts. This amount was approximately \$1,020,000 and \$960,000 at December 31, 2015 and 2014, respectively.

Notes to Consolidated Financial Statements December 31, 2015 and 2014

2) Summary of Significant Accounting Policies — continued

Restricted Cash and Cash Held For Others - continued

WESST is also the fiscal agent for another entity and is the custodian of a number of IDA participant accounts. This cash held for others was approximately \$18,000 and \$141,000 at December 31, 2015 and 2014, respectively. For the year ended December 31, 2015, the amount held as a fiscal agent was approximately \$18,000. For the year ended December 31, 2014, the amount held as a fiscal agent was approximately \$19,000 and the amount held as a custodian was approximately \$122,000.

Loans Receivable

Loans receivable are carried at face value and adjusted by an allowance for loan losses. WESST classifies loans receivable as current if maturity is one year or less. Interest income on loans receivable is recorded monthly. Related loan fees required at closing are minimal, and as such, are recorded as income when the loan is disbursed.

Loans are collateralized by any combination of the following: deposit accounts, real estate, inventory, accounts receivable, furniture, equipment, vehicles, and assignment of contracts and life insurance policies. WESST's access to collateral is determined by legal collection proceedings.

Loans are recorded when funds are disbursed. Collectability of loans receivable is evaluated monthly and the loan loss reserve is adjusted accordingly.

The accrual of interest is discontinued on loans evaluated to be potentially uncollectible. Interest accrual resumes when certainty of repayment is determined. Loans are written off as uncollectible only after collateral has been satisfied and all legal action for recovery is exhausted. Loans are determined to be delinquent based on the number of days required payments are past due.

Allowance for Loan Losses

WESST provides a valuation allowance for estimated losses on loans when a significant and permanent decline in value occurs or is anticipated. The allowance for loan losses is based on established guidelines for loan grades, which specify reserve requirements. The factors that influence reserve requirements include available borrower financial information, period of payment delinquency, and borrower responsiveness. WESST management calculates an estimate for loan losses based on these factors.

2) Summary of Significant Accounting Policies — continued

Receivables

Grants and accounts receivable are primarily for cost-reimbursement governmental grants. Contributions receivable consist of amounts due from foundations and similar organizations. An allowance for doubtful accounts is based on an analysis of expected collections as determined from past history and management experience. No allowance was considered necessary as of December 31, 2015 and 2014.

Property and Equipment

Purchased property and equipment is stated at cost. Property and equipment received by donation is recorded at the estimated fair value on the date of donation. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, WESST reports the expiration of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. WESST reclassifies restricted net assets to unrestricted net assets at that time. Purchased or donated property in excess of \$5,000 is capitalized. Depreciation is calculated on a straight-line basis in amounts sufficient to relate the cost of depreciable assets to operations over their estimated useful lives, which range from five to forty years.

Income Taxes

WESST is a nonprofit organization and qualifies as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code. WESST regularly evaluates activities as it relates to its tax exempt status. If WESST activities are determined to be outside of its tax exempt status the potential exists for tax liabilities on those unrelated activities. Currently, WESST engages in no activities that result in unrelated business net income. Accordingly, no provision for income taxes has been reflected in WESST's financial statements. WESST's income tax filings are subject to audit by various taxing authorities. WESST's open audit periods are for the years ended December 31, 2013 and thereafter.

Notes to Consolidated Financial Statements December 31, 2015 and 2014

2) Summary of Significant Accounting Policies — continued

Advertising Costs

Marketing and public relations costs are expensed as incurred.

Functional Allocation of Expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the statement of activities and in the statement of functional expenses. Accordingly, certain costs have been allocated to the programs and support services benefited. Expenses are charged directly to program and supporting services based on specific identification. Costs benefiting more than one service are allocated based on measures such as management's estimates of time spent, square footage, etc.

Subsequent Events

Subsequent events were evaluated through April 20, 2016, which is the date the financial statements were available to be issued.

3) Loans Receivable

WESST had loans receivable of approximately \$879,000 and \$868,000, net of allowance for loan losses, at December 31, 2015 and 2014, respectively.

Changes in the allowance for loan losses for the years ended December 31,:

	2015	2014		
Balance at beginning of year	\$ 75,481	\$	72,271	
Loans charged-off	(1,251)	\$	(4,829)	
Provision for loan losses	 2,242		8,039	
Total	\$ 76,472	\$	75,481	

Loan balances of approximately \$14,200 and \$6,900 had loan payments past due more than thirty-one days as of December 31, 2015 and 2014, respectively. Additionally, loans of approximately \$174,600 and \$342,000 had original principal repayment terms modified during 2015 and 2014, respectively.

There were no loan balances on nonaccrual status as of December 31, 2015 and 2014. Loan balances past due more than ninety days and still accruing interest were approximately \$4,100 and \$4,000 at December 31, 2015 and 2014, respectively.

Notes to Consolidated Financial Statements
December 31, 2015 and 2014

3) Loans Receivable — continued

Because of the inherent uncertainties in estimating the allowance for doubtful loans and accounts, it is at least reasonably possible that the estimates used will change within the near term.

4) Contributions Receivable

Contributions receivable represent contribution amounts committed from individuals, entities and foundations. Specifically, the Visionary Pledge Campaign has resulted in contributions receivable to be collected over a number of years. The amount of \$27,600 is to be collected annually from 2017 through 2019. The amount of \$17,000 is to be collected in 2020. Because of the inherent uncertainties in estimating the allowance for doubtful loans and accounts, it is at least reasonably possible that the estimates used will change within the near term.

5) Temporarily Restricted Net Assets

Temporarily restricted net assets consist of the following as of December 31,:

	 2015	 2014
Parking lot naming rights	\$ -	\$ 45,893
Veterans suite	20,000	38,845
Microbusiness solutions	12,500	25,000

Other		10,000	 -
Total	<u>\$</u>	109,738	\$ 36,512

7) Donated Assets, Materials and Services

WESST recorded the following in donated assets, materials and services for the years ended December,:

	 2015	 2014
Facilities	\$ 154,495	\$ 154,870
Professional and consulting services	129,251	133,246
Equipment, supplies and materials	94,686	 23,372
	\$ 378,432	\$ 311,488

Donated materials and services were primarily used in WEC operations.

Notes to Consolidated Financial Statements

Land		225,713		225,713
Property and equipment, net	\$	7,841,289	\$	8,043,831

9) Retirement Plan

WESST has a retirement savings plan for its employees. This plan allows participants to make contributions by salary reduction pursuant to Section 408(a) SIMPLE-IRA, of the Internal Revenue Code. Employer contributions are required. Under the terms of the Plan, WESST will match employee contributions up to 3% of compensation. The amount elected to be deferred by the employee cannot exceed the limitations prescribed by law. Employees vest immediately in all employer contributions. WESST's matching expense for 2015 and 2014 was approximately \$22,000 and \$21,000, respectively.

Notes to Consolidated Financial Statements
December 31, 2015 and 2014

10) Secured Debt

WESST has a memorandum of agreement with the New Mexico Small Business Investment Corporation (NMSBIC) to cooperatively fund business loans to New Mexico's artisan community. WESST has complete discretion over the loan portfolio and WESST is responsible for the administration of the program. The NMSBIC agrees to purchase up to 75% of the loan principal disbursed by WESST, up to maximum of \$375,000. WESST pays interest to the NMSBIC at an annual rate of 3% of the outstanding principal balance of funds provided by the NMSBIC. Loan losses within the portfolio are shared 75% by the NMSBIC and 25% by WESST. As WESST collects payments on the loans, it repays 75% of the principal to the NMSBIC. As of December 31, 2015 and 2014 the outstanding principal balance of funds provided by the NMSBIC to this program was approximately \$101,000 and \$45,000, respectively.

11) Notes Payable

The following is a summary of notes payable related to loan programs as of December 31,:

12) Capital Lease

In December 2008, the construction of the WESST Enterprise Center (WEC) was completed and WESST took occupancy of the building. The WEC is a 37,000 square foot business incubation facility and is designated to house and support local start-up businesses. The construction was a collaborative effort between WESST and the City of Albuquerque (City), with funds for construction provided by both public and private sources. All public funds related to construction and equipping the WEC were received by the City, managed by the City and disbursed by the City. The estimated cost of the building, including land, is approximately \$8,750,000.

The Local Economic Development Act Project Participation Agreement (LEDA Agreement), signed by WESST and the City in November 2010, established the arrangement regarding the use and ownership of the WEC (this agreement supercedes two prior agreements between WESST and the City, signed in 2004 and 2006, respectively). The LEDA Agreement establishes that the City is the owner of record of the building and the land (excluding a portion of the parking lot at 205 Roma, NE which was purchased directly by WESST in 2010), and the City agrees to lease the property to WESST for a minimum period of 20 years at \$1.00 per year, primarily in exchange for economic development activities, the key deliverable of which is job creation.

Notes to Consolidated Financial Statements
December 31, 2015 and 2014

12) Capital Lease – continued

The LEDA Agreement provides an option for WESST to take ownership of the property at any time during the lease term by utilizing: 1) WESST' equity interest in the WEC, b) the Local Economic Development Act process, c) cash or other means of financing, or d) any combination of the aforementioned. WESST's equity interest in the WEC is measured based on variables outlined in the agreement, such as, value of "direct jobs created" and "contributions made" by WESST (e.g. development costs, cash contributions, federal funding, leasehold improvements, etc.)

As of December 31, 2010, WESST had earned enough equity interest to take ownership of the WEC. If and when WESST decides to take ownership of the WEC, the LEDA agreement also states that WESST will repay to the City a \$1,364,000 Urban Development Action Grant (UDAG) loan which was used to purchase the land for the WEC. Per the LEDA Agreement, WESST may "repay" a portion of the UDAG loan with the value of direct new jobs created. At a minimum, if WESST assumes ownership of the WEC, WESST will repay \$500,000 of the original UDAG loan in cash to the City. The \$500,000 repayment

is structured at zero percent interest in 25 equal annual installments beginning one year from the day WESST assumes ownership of the WEC. Pursuant to the LEDA Agreement, if WESST does not take ownership of the WEC, the UDAG loan will not be repaid by WESST pursuant to LEDA Ordinance F/S-0-04-10.

Because the LEDA Agreement and prior agreements between the City and WESST have included opportunities for WESST to acquire ownership of the WEC for a purchase price that is significantly less than fair market value, management considered the lease agreements to contain a bargain purchase option, and the lease was recorded as a capital lease. As of December 31, 2015 and 2014, the capital lease payable is recorded at the present value of future minimum lease payments for the amount owed to the City of approximately \$389,000 and \$381,000, assuming an interest rate of 3.5% over a period of twenty-one years.

In the event that the City or WESST invests capital into the WEC in the future, the equity in the WEC will adjust accordingly.

Notes to Consolidated Financial Statements December 31, 2015 and 2014

12) Capital Lease - continued

For the purposes of recording the in-kind interest on the capital lease, management assumes a 3.5% interest rate, which resulted in in-kind interest of approximately \$8,500 for each of the years ended December 31, 2015 and 2014. Management records the in-kind value of the WEC donated space at \$18 per square foot, resulting in approximately \$129,000 of in-kind revenue and expense for each of the years ended December 31, 2015 and 2014.

13) Concentrations

WESST maintains its cash balances in financial institutions insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At times, these cash balances may exceed the insured limits of the FDIC. WESST has not experienced any losses in these cash accounts and believes it is not exposed to any significant credit risk related to uninsured cash balances.

WESST receives a significant portion of its revenues from one federal grant. For the years ended December 31, 2015 and 2014, approximately 26% and 28% of total revenue was from this federal grant.

14) Related Parties

Four members of the WESST Board of Directors are employed at local banking institutions where WESST maintains accounts.

15) Prior Period Adjustments

Certain errors resulting in a misstatement of unrestricted, temporarily restricted and permanently restricted net assets as well as a misstatement of federal grant revenue and the amount recorded as the capital lease payable were discovered during the year ended December 31, 2014, which resulted in the following as of December 31, 2014:

Notes to Consolidated Financial Statements
December 31, 2015 and 2014

15) Prior Period Adjustments – continued

A reduction of temporarily restricted net assets and permanently restricted net assets of approximately \$7,799,000 was made and unrestricted net assets were increased. This adjustment was the result of balances inappropriately restricted for property and programs, for which the initial receipt of funds was not a contribution or for which the contribution restriction was met prior to December 31, 2012.

An adjustment for federal grant revenue recorded in a previous year of approximately \$236,000 was recorded as deferred revenue and a corresponding adjustment was made to reduce previously reported net assets. This adjustment was the result of federal grant revenue that had not been used for its intended purpose by WESST, however the grant revenue had inappropriately been recognized as income prior to December 31, 2013.

A decrease of the capital lease payable of approximately \$703,000 was recorded and a corresponding adjustment was made to increase previously reported net assets. This adjustment was the result of recognizing that the capital lease payable was not required to be made, due to the fact stipulations in the lease were met prior to December 31, 2012.

Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

Board of Directors

Women's Economic Self-Sufficiency Team, Corp
and Controlled Affiliate

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of the Women's Economic Self-Sufficiency Team, Corp and its controlled affiliate, WESST Real Estate Holdings, LLC (collectively referred to as "WESST") (a nonprofit organization), which comprise the statement of financial position as of December 31, 2015, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated April 20, 2016.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered WESST's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of WESST's internal control. Accordingly, we do not express an opinion on the effectiveness of WESST's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of WESST's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether WESST's consolidated financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of WESST's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering WESST's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditors' Report on Compliance For Each Major Program And On Internal Control Over Compliance Required By The Uniform Guidance

Board of Directors
Women's Economic Self-Sufficiency Team, Corp
and Controlled Affiliate

Report on Compliance for the Major Federal Program

We have audited Women's Economic Self-Sufficiency Team, Corp and its controlled affiliate, WESST Real Estate Holdings, LLC (collectively referred to as "WESST") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on WESST's major federal program for the year ended December 31, 2015. WESST's major federal program is identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for WESST's major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about WESST's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination of WESST's compliance.

Opinion on the Major Federal Program

In our opinion, WESST complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended December 31, 2015.

Report on Internal Control Over Compliance

Management of WESST is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered WESST's internal control over compliance with the types of requirements that could have a direct and material effect on the major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of WESST's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
